To: All Liturgical Ministers

Hope this finds you winding down a summer that was filled with fun and some relaxation. Attached you will find:

- Liturgical Minister schedule for September and October
- Information on your role and responsibility as a Liturgical Minister.
- A current phone list broken down by the mass each of you serve at.

As you will see the schedule is a little different than in the past. We now have one schedule for all liturgical ministers. This is in response to families wanting to be scheduled at the same masses. A big thank you to Linda Fulton, who will be in charge of scheduling starting with the November schedule. If you should have any changes or special requests please call Lisa at the parish offices.

Thank you to Dave and Sandy Thomas Greaves who continue to lead our Hospitality Ministers. All of you should know now that bulletins should not be passed out prior to mass but will be distributed by the ushers after mass.

Thank you also to Ray Somich and Irene Klemens who have committed to continue to training Lectors and Eucharistic Ministers. **Notice that there are now only 5 ministers per mass. Too many of you were on week after week trying to provide 8 ministers at every mass. So we are doing away with the station in the back of the church until we can train some new ministers.**

Finally, thank you to Rich Schulz who trains our servers. Rich is looking to do a training this fall, so let your friends know.

Thank you to all of you for helping St. Felicitas truly make the liturgy the prayer of the people.

Jesus' Peace,
Lisa Radey
